Ukrop's Homestyle Foods, LLC Announces Voluntary Recall of: Ukrop's Chocolate Eclairs 4 CT, and Chocolate Eclairs 2 CT

Ukrop's Homestyle Foods LLC today announced that, out of an abundance of caution, it is recalling both Ukrop's brand Chocolate Eclairs 4 Count and Chocolate Eclairs 2 Count.

Both products present a food safety concern as they should have been held and displayed under refrigeration and were not.

The impacted products are produced at the company's plant in Richmond, Virginia and are sold through Martin's Food Markets. There have been no known reports of illness associated with the use of these products.

- The affected products are only those labeled with a sell-by date of 04/02/17; net weight 11 oz. and 5 oz.
- The product name, sell-by date, and net weight are found on the lid of the container.
- Products that carry any other names, sell-by dates, or net weights are not impacted by this recall.

"The safety of our customers who consume our products is our priority; therefore, we are voluntarily taking this precautionary measure," said Robert S. Ukrop, President and CEO of Ukrop's Homestyle Foods.

The company advises consumers to return affected product(s) to the point of purchase for a refund.

Consumers with questions about the recall or the product involved may contact Ukrop's Homestyle Foods, LLC at (804)340-3000.
