

We are currently experiencing packaging disruptions which have impacted how heating instructions are displayed on our entrées and sides.

For the next week or so, you can find these heating instructions printed on the bottom label of the product:

HOW TO ENJOY: Fully cooked and ready to eat. Package is microwave and oven safe. Remove film for oven and vent corner for microwave. Heat to desired temperature. Caution: Product may be hot.

For any additional questions or concerns, please call 804-340-3000, or email us at nourish@ukrops.com.

We appreciate your patience!

It's always a pleasure to serve you,
